07_GSTR-2B_Synthetic.pdf	GST Portal style - synthetic	Government-style auto-drafted ITC statement for reconciliation

Expected Reconciliation Outcomes - Developer Ground Truth

No.	Expected result
1	MCS/0926/901, PTI/0926/611 and OFS/0926/305 match GSTR-2B.
2	Bill of Entry 8723456 appears under Import of Goods with IGST INR 36,000.
3	MCS/CN/0926/17 appears as a credit note and reduces/net-offs ITC.
4	GPS/0926/440 is shown under ITC Rejected because the record was rejected in IMS.
5	CTL/0926/190 exists in books but is missing from GSTR-2B.
6	GDA/0926/77 is import of services under RCM and is not part of GSTR-2B.

The GSTR-2B file is related primarily to the purchase register, purchase/expense invoices, purchase-side credit notes, supplier-reported RCM records and import-of-goods information. It is intentionally not a mirror of the sales register.
